SKILLS

Technical Skills	HTML, CSS, JavaScript, React , Redux , Flutter, Dart, Git Basics
Soft Skills	Time Management , Team Work , Adaptability , Problem-Solving , Customer Focus.

EXPERIENCE

Front-end Developer Intern Dec 2023 - Feb 2024
Galactic Medias

- Collaborated with a team to design and develop visually appealing web platforms for educators, learners, and guardians using ES6, HTML5/CSS3, React, Redux, Git Basics, and Chrome Dev Tools.
- Worked on the Front-end part of the website.
- Developed the website's UI using HTML, CSS, and JavaScript.
- Gained knowledge of how React works.

PROJECTS

Responsive Calculator. Engineered an intuitive calculator application using HTML, CSS, and JavaScript, demonstrating expertise in front-end development and user interface design. Implemented robust functionality for arithmetic operations, delivering a seamless and dynamic user experience.[click here](#).

Chat-Bot. Developed a responsive and visually appealing chatbot interface using HTML, CSS, and JavaScript, demonstrating proficiency in front-end web development. Implemented user input handling, message processing, and bot responses, showcasing strong programming skills and attention to detail.[click here](#).

Shoe Shop UI. Designed and implemented an engaging user interface for a shoe shop application using Flutter and Dart, showcasing proficiency in mobile app development and UI/UX design principles. Integrated sleek design elements, intuitive navigation, and interactive features to enhance the overall user experience.

CERTIFICATIONS

- Meta Front-end Developer certification.
- Flutter and Dart intermediate certification.

EXTRA-CURRICULAR ACTIVITIES

- Exploring latest AI technologies.
- Gym enthusiast.
